Title: METHOD AND APPARATUS FOR BUFFERING STREAMING MEDIA

Dear Commissioner:

A Pre-Brief Conference Request was filed yesterday, June 20, 2007, for the above mentioned patent application along with the fee set forth in 37 CFR 41.20(b)(1). The Notice of Appeal from the Examiner to the Board of Patent Appeals and Interferences Form (PTO/SB/31) and the Pre-Appeal Brief Request for Review Form (PTO/SB/31) were unintentionally not included in the filing.

Attached herewith, please find our Notice of Appeal from the Examiner to the Board of Patent Appeals and Interferences Form and the Pre-Appeal Brief Request for Review Form that should accompany the Pre-Brief Conference Request electronically filed June 20, 2007.

We believe no fees accompany this transmission. If, however, insufficient fee payment occurs, the amount may be withdrawn from Axios Law Group's deposit account. The deposit account number is 50-4051.

Should you have any additional questions, please do not hesitate to contact me at the number provided below.

Kind regards,
AXIOS LAW GROUP PLLC
